

# Welcome to our Wonderful Nursery!

<u>AM funded hours</u>	<u>PM funded hours</u>	<u>Pupils who attend Fulltime</u>
<p><b>Our routine:</b>                      Self Registration                      Register                      Phonics input  <b>Free flow and adult led activities both indoor and outdoor</b>                      Maths input  <b>Story/R.E/PSHE/Worship/Class Assembly/Nursery Rhyme of the Week</b>                      Prayer                      Home time</p>	<p><b>Our routine:</b>                      Self Registration  <b>Story/R.E/PSHE/Worship/Class Assembly/Nursery Rhyme of the Week</b>                      Register  <b>Phonics input</b>                      Free flow and adult led activities both indoor and outdoor  <b>Maths input the Week</b>                      Prayer                      Home time</p>	Have a delicious dinner in the Nursery. They also practice their skills such as: pencil control, cutting, music, physical activities, stories and rhymes.

We have been celebrating the Harvest Festival and we have enjoyed learning all about the Autumn season too. We sang the song Dingle, Dangle Scarecrow and then made our very own Scarecrow to display in the Cloakroom ☺

### What Parents/Carer's can do to help:

Ask your child what they have done **each** day. Converse with your child regularly; encourage them to listen and make eye contact with the person that is talking.

**Read your child a story** ☺ Model how to turn the pages correctly and encourage your child to predict what might happen next.

**Sing Nursery Rhymes** – Each week a different nursery rhyme is sent home, please add this to your nursery rhyme booklet that we have provided and enjoy a sing song with your child ☺

**Maths** – Where ever you go count! Count how many cars you see or how many birds are in the sky. Talk about what numbers you can see when you go to the supermarket/ house door numbers that you might pass/numbers on the remote control or telephone etc. Also talk about different shapes you might see in the environment and discuss how many sides and corners they have.

 **Pencil control** – whenever your child is writing or drawing; please can you make sure that they are holding their pencil correctly (you may need to show them). This will help to develop their writing. Thank you.

Hello and welcome to our wonderful Nursery! We have all settled into our new, big school like the superstars that we are! Don't we look smart in our uniform? ☺

This term our topic is 'All about me'. We have been learning that we are all different and that it is 'great to be me'. We have discussed what we look like (we particularly liked to look at ourselves in the mirror – we are very modest!!!) and we are now learning all about our different senses... how exciting!

Our role play area this half term is a 'home corner' - this can be found in 'Adventure Land'. We are trying very hard to play happy families and share our Nursery toys. We make each other dinner, clean the house and look after the babies and pets. ☺

Our reading area is 'The Gruffalo's deep, dark wood' (This can be found in Wonderland)...We LOVE to read different books in there! We are learning to hold a book the correct way up and turn the pages carefully. **It is important that we look after our books as they are very precious to us.**

We went on an 'Autumn walk' outside and collected lots of different things to add to our investigation area ☺ We also used some of the leaves that we found to collage and print with – it was so much fun! In Nursery our class motto is '**Mess Makes Memories**'.

We have P.E every Thursday, it is very important that we keep our bodies fit and healthy.

We know that in Nursery we must always have 'Kind Hands, Kind Feet and Kind Mouths' and that we must always show 'Good Sitting, Good Looking and Good Listening'...these are our class rules ☺

This half term we have had a big focus on settling into the Nursery class daily routines, nursery rhymes, Phase 1 phonic activities, touch counting and shape.

The Animal lady came to visit us...we were so excited to meet lots of different animals/creatures.
