

St. Johns Super Sentinel

March, 2017

Hello everyone, welcome back. This month (March) has been very busy. It was British Science week. The zoo lab woman came and showed us some beauties and some beasts. We have been taking part in the local food bank and we are collecting: milk (UHT or powdered) ;sugar ; fruit (cartons) ; pasta sauces ; sponge pudding (tinned) ; rice pudding (tinned) ;instant mash potato ; tinned meat/fish ; tinned fruit ; jam ; chocolate and tinned potatoes.

Fundraising Disco!

On the 6th April there is a fundraising disco 3-4 pm. This great opportunity is to raise money for outdoor equipment for KS1 and KS2 yards. It is £1.50 to enter this disco. At the disco they will sell ice cream for a £1 and sweets and drinks as usual. We would like as many children to attend this wonderful disco to raise money for our new playground equipment

Food Bank!

Last year, we collected 31.2 kg of food for the food bank. Can we beat it this year??? We are collecting items that you might have given up for lent, such as chocolate. Yum! If any parents that are reading this, we would be extremely grateful if you could get even 1 tin of food for your child to bring in. Some people need this food more than us.

DELILAH THE COW

For our partner school in Kenya (Matili FYM) we raised £128.50 to buy Delilah.

At the minute she is in calf. We have looked at

some pictures during assembly of Delilah. The children are very happy about the cow, and she is in calf. She is kept in a small pen (which is enough space), and the children are very grateful, since they are quite poor. The children can't get enough of the fresh milk that the cow is producing. The kids are now having fun and playing with the cow. Here are some pictures of the cow:

Teacher of the Month: Mrs Peak

What is your favourite thing about teaching? Help the children to understand the things they don't know.

Do you like the people you work with? Yes because they are a team:).

What's your favourite event in the school? She likes the school concert and going on trips with them.

Is there anything in particular things you don't like about school? She likes everything about school and nothing else about school and she doesn't like going home in the dark.

What are your hobbies? She has 4 children that she has to look after ,reading ,walking and spending time with her children.

By Skye Lea-Shaw and Lily-May Barlow

We had a red nose day and sold some red noses for £1. Red Nose Day was on Friday 24th March. We were allowed to wear a funny jumper, funny socks or wear slippers. The school was allowed to have fun on this special day.

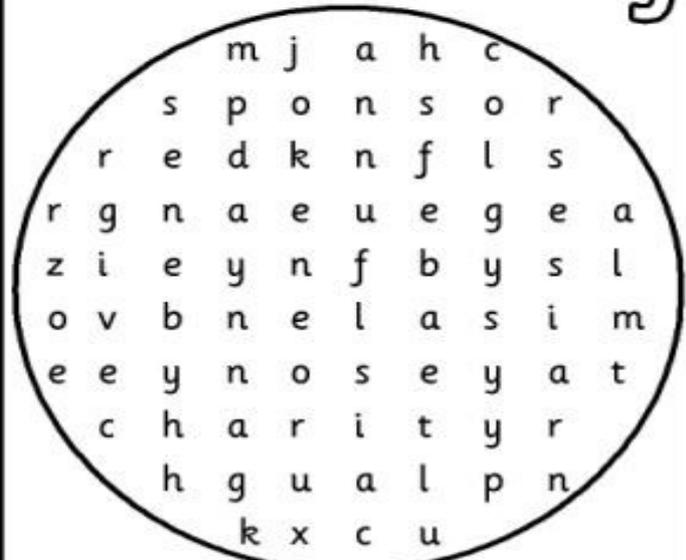

By Carly Bithell

Remember the first day of this,
Every place was filled with bliss,
Dads, mums, children and kids,

No one hates Richard Curtis,
Only once a year is this,
Super times will giggle and hiss,
Everybody LOVES THIS!!!

Poem by Joda J
