BIG NEWS...

This month we have lots of exiting events coming up , such as: Sports day, Northwood, Awesome walls and the family picnic. We are very proud of our last term of school this year as there will be many great results to read and be proud of.

I'm sure we have all had a great holiday, especially with such good weather. Year six have also finished their SATS and they have all tried their best, and they have done very well for a test that means so much for their future . As a reward all the year six's have all been on a special visit to Liverpool. Also, we have some sad news. Unfortunately, our hard working head teacher Mrs Bloor is retiring. I'm sure we will all miss her very much and we are all grateful for everything she has done for us. She has been such a great head teacher and she took on a lot of responsibility as the first head teacher of St.Johns. All of the children and staff thank her for all her wonderful work. This months paper has been dedicated to Mrs Bloor.

Some people like it,
Unique music is played,
Mummy's so proud,
Maybe you like it
Endless music is played,
Resilience is needed!

Come and see the concert,
Only well behaved parents can come,
Never mess with music,
Cool air will hit you in the face,
Even when your in the classroom,
Remember to be well behaved,
To be able to boogie!

Winners of the drawing competition is: Lekshmi(KS2) and Ameerah (KS1). There are runners up for the competition. And they are: Godwin (KS2) and Lexi(KS1).

We appreciate all of your entries! Please don't be upset if you can't see your name; you'll all get another chance next competition. Thank you again for all the contributions! Remember: we are all unique in everything, even how you draw. Instead of putting yourself down because you see other people's art, think of how many people who can draw exactly like you, and embrace it! We'll all improve in the future.

Mixed Rounders

On 28th June, our school played rounders. We played against: The Willows Primary and Ash Green. It was a tough game. Beside that, the game was awesome. There was some amazing throws and some amazing catches. The fielding was marvellous and the batters were valuable. "It was the best game we ever played," Mrs Mazzei explained.
