

Super St John's Sentinel

Welcome to Super St John's Sentinel. I am the new editor Rubina. This year me and the team have decided to change the features of super sentinel to make it fresh and new. We are going to have many upcoming competitions for all children to enter if they wish. We hope these changes will make the newspaper more exciting for everyone. The vice editors this year are Berrie, Joda and Emily.
By Rubina

From now on, on Friday the music Teacher-Mr B- will be teaching KS1 and KS2 songs. For the last two weeks Mr B has been helping us to learn more songs! We have already learned a couple of songs: 7days a week and a Harvest song. In our school, we also have a music room now (where the learning space was). Mrs Cooper has been kind enough to buy the school ukuleles, quite a lot, probably over 20. In the music room, Mr B will be taking classes - starting with Y3- into the learning space at dinnertime (it'll be their choice if they want to go). They can go into the music room and Mr B can teach them even more facts and, I think, Mr B will teach them to play the ukulele! After all, children have been enjoying the music lessons and will go in the hall- on a Friday- at 9:00 (after the register) and sing with Mr B and will probably sing the same songs and also learn another song each week.

By Isabelle

Our new title is... SUPER ST JOHNS SENTINEL. The vote was close, but super sentinel won (with our votes). We decided that since we've had that title for about 3 years, we should put a twist to it. We hope that you like the new title!

Holly

Science Day
On Wednesday last week, we had organized a science. On this day, the teachers: Miss Mazzei, Mr Wiggins, Mrs Peake, Mrs Brown and many more all dressed up as Mad Scientists. All of the classes (including nursery and reception) learned about different themes to do with science. There was a competition - which all of the teachers joined in on - and Mr Wiggins won. On Monday's collective worship, Mrs Cooper gave him the yellow certificate.

By Fareedah.

Red leaves are falling,
Orange too,
Birds are calling,
The sky is blue,
Leaves are scattered,
Trees are tall,
The rain clatters,
Since it's the season of fall!

By Grace

Baby news!

There's been three new babies! Miss Whalley had a baby boy, Mrs Mills-Farmer had a little girl and Mrs Clarke had a baby girl as well. This is Mrs Mills-Farmer's first baby. We have had a visit from all of them. We wish you lots of love from all of us.

These are the people in our Super St Johns Sentinel: Hollie, Fareedah, Grace, Joda (co-editor), Berrie (co-editor), Angelina, Lekshmi, Emily and Rubina(Editor).If you would like to join, then just come along to our lunchtime club on a Wednesday and see Miss Mazzei and the team. (Puzzle found by Jeff and Evan)

In this picture the Viking teacher lets Grace wear a Viking hat, then he pretended to hit her with the giant axe.

Bonfire Night

It's that time of the year again when fireworks show them selves in the night sky again. Here are some top tips for you and your animals:

- 1) Always wear gloves when you hold sparklers
 - 2) Keeps pets indoors. Put on the radio or the television to block on the sound for your pets. Provide hiding spaces for your pets so they feel more secure.
 - 3) Stay far away from the fire and/or fireworks so that you don't get injured.
 - 4) After a firework has been lit, leave it for a while since it could still be in motion.
 - 5) STAY SAFE AND HAVE FUN!

Viking day 2018!

On Tuesday 23rd October, the Viking company came in and learned us all about the Vikings and brought lots of things in. The y6s were very grateful that the Viking company came in and told us lots of fun and disgusting facts. Every class had a go to pick up an actual Viking metal outfit!

By Isabelle

In this picture Oscar picked up the heavy, metal and giant Viking outfit.

Imagine you were walking through the woods in the fall and found the most unusual leaf you'd ever seen. Color in the leaf to show what it would look like

acorn
apples
autumn
crisp
fall
hayride
harvest
leaves
pumpkins
rake
