Message from Reverend Chris

We've had a really good start to our academic year, with a great opportunity to take the school forward onto its next stage, building on the excellent foundations that the previous head teacher had put into place. And, as chair of governors, I am extremely grateful for the support that Mrs Bloor gave to me.

Of paramount importance to the team of governors is the welfare and education of our children and to that end, we commit ourselves in enabling the staff, and I mean all staff, to deliver our vision of excellence. Of course, as a Church School, there will be a Christian ethos but ever mindful that we are inclusive and are a multicultural school and cater for all.
